

Work SONG WRITING

Name: Dennys Pucha

Date: 18/06/2023

GROUP 1:

Summer has come and passed

The innocent can never last

Wake me up when September ends

Like my father's footsteps to pass

Seven years has gone so fast

Wake me up when September ends

[Chorus]

Here comes the rain again

Falling from the stars

Drenched in my pain again

Becoming who we are

As my memory rests

But never forgets what I lost

Wake me up when September ends

[Verse 2]

Summer has come and passed

The innocent can never last

Wake me up when September ends

Ring out the bells again

Like we did when spring began

Wake me up when September ends

[Chorus]

Here comes the rain again

Falling from the stars

Drenched in my pain again
Becoming who we are
As my memory rests
But never forgets what I lost
Wake me up when September ends

[Verse 3]

Summer has come and passed
The innocent can never last
Wake me up when September ends
Like my father's footsteps to pass
Twenty years has gone so fast
Wake me up when September ends
Wake me up when September ends
Wake me up when September ends

GROUP 2:

Activity:

Choose the correct word

I found a love, for me
Darling, just dive right in and follow my lead
Well, I found a girl, beautiful and sweet
Oh, I never knew you were the someone waiting for me

Baby, I'm dancing in the dark
With you between my arms
Barefoot on the grass
Listening to our favorite song
When you said you looked a mess
I whispered underneath my breath
But you heard it
Darling, you look perfect tonight.

GROUP 3:

When the night has come
And the land is dark
And the moon is the only light we'll see
No, I won't be afraid
No, I won't be afraid
Just as long as you stand by me
So darlin', darlin', stand by me
Oh, stand by me
Oh, stand
Stand by me, stand by me
If the sky that we look upon
Should tumble and fall
Or the mountains should crumble to the sea
I won't cry , I won't cry
No I won't shed a tear
Just as long as you stand
Stand by me
And darlin', darlin', stand by me
Oh, stand by me
Oh, stand now
Stand by me, stand by me
And darlin', darlin', stand by me
Oh, stand by me
Oh, stand now
Stand by me, stand by me
Whenever you're in trouble won't you stand by me
Oh, stand by me
Won't you stand by

GROUP 4:**1. Put the verbs in the correct form**

I didn't want to be the one to forget
I thought of everything I'd never regret
A little time with you is all that I get
That's all we need because it's all we can take
One thing I never saw the same when you're 'round
I didn't believe in him, his lips on the ground
I wanna take you to that place in the Roche
But no one gave us any time anymore
He asked me once if I'd look in on his dog
You made an offer for it, then you ran off
I got this picture of us kids in my head
And all I hear is the last thing that you said

2. Complete with the missing words or phrases in the Chorus

And we will never be alone again
'Cause it doesn't happen every day
Kinda counted on you being a friend
Can I give it up or give it away?
Now I thought about what I wanna say
But I never really know where to go
So, I chained myself to a door
'Cause I know it unlocks like a friend
